KELLETT ENTERPRISES, INC.

Innovative Creator of the
LP-13 Shake Absorber®
Vibration Isolation Pad

APPLICATIONS

Here Are A Few Of The Many Applications Where The LP-13 Shake Absorber® Vibration Isolation Pad Has Successfully Isolated Vibration:

Weaving Machines

Motors

Industrial Fans

Vision Inspection Equipment

Laboratory Equipment

Operator Cabs

This picture shows a pad installed under a weaving machine that is 12 years old and still in operation.

Other Great Commercial and Residential Uses:

- Office Equipment
- Ventilation
- Washing Machines
- Hydraulic Presses
- Air Compressors
- Machine Shop Equipment
- Air Conditioners
- Vacuum Pumps
- Printing Presses
- Heat Pumps
- Bridge Construction
- Generators
- Rock Crushing Equipment
- Floating Floors
- Transformers
- Conveyor Belts
- Automotive Applications
- GPS Systems
- Refrigeration
- Computers, Servers and Racks
